## **Test Correction Format**

The purpose of test corrections is to help you figure out what you got wrong on the test and why. You are responsible for the material covered on the test on the semester final, so test corrections are designed to help you be more successful in the long run.

## Directions:

1. During your scheduled time you will need to write the question number and the question. If you have time once you finish this you can continue with the rest of the requirements.
